Dear Mr. Ibrahim

Having had the pleasure of meeting your wife, Azleena Ibrahim, when she visited the Maldives early in the year to offer the tsunami victims donations raised by some very generous German citizens, it was delightful meeting you and Mr. Christian Burgdorf, discuss the prospects of collaboration between Malediven - Hilfe e.V and the Government of Maldives. It is, indeed, very encouraging that a highly motivated team of well wishers has founded an organization like Malediven - Hilfe e.V exclusively for the purpose of providing humanitarian and other forms of assistance to the Maldives to promote the quality of life of its people. We look forward to working in partnership with you and your colleagues in the Association to facilitate the restoration of normalcy to the lives of many Maldivians who were affected by the 26th December tsunami, as well as other forms of assistance in areas of need.

Let me conclude by expressing my profound appreciation to you and the other Board Members of Malediven - Hilfe e.V for taking this initiative to serve the people of the Maldives.

Yours sincerely,

Aneesa Ahmed.
